# Adult Immunisation and Flu Vaccination Update for HCAs, Nurse Associates and HCSWs

Date: 21<sup>st</sup> July 2026  
Times: 1300-1600  
Venue: Zoom Online Platform  
Places available: 12

Fee/s: NfP Members £50  
Non-Members £95

**This workshop is suitable for: Any HCAs, Nurse Associates and HCSWs already trained in the administration of the Influenza, Shingles and Pneumococcal Vaccination**

This half day Immunisation update is suitable for HCAs, Nurse Associates and HCSWs **already trained and competent in the administration of adult vaccinations**. The course will offer a general immunisation update aligning to core vaccination competencies, before focusing on any vaccine changes and preparation for the FLU season ahead.

As seasonal flu changes every year, it is essential that skills and competency are refreshed and updated to maintain evidence of best practice and provide safe, effective delivery of the vaccination programmes.

This interactive workshop will revisit the learning for all of the adult vaccinations with case studies and discussion. Exploring the complexities of vaccines and considering the clinical decisions that support safe practice.

Delegates will have an opportunity to revisit competency frameworks and have access to all the necessary paperwork for a robust, efficient clinic.

## Course Content

- Refreshing knowledge of influenza viruses currently in circulation.
- Documentation and Governance of practice
- Knowledge of NMC guides to medicine management and patient specific directives
- This seasons flu campaign, including an overview of recent changes to the programme and changes with Shingles and Pneumococcal.
- Assessment of learning
