Trainer Information

Richard is an experienced senior manager within the NHS having joined the sector in 2006 from the military where he became head of NHS Fraud Investigation prior to moving on to working for NHS England at the Strategic Clinical Network as well as delivering conflict management and intervention strategies to a number of NHS trusts in the North West of England. He has since taken up senior roles in primary care across England and Wales which have included positions as primary care business/program manager. His passion however is in delivering primary care development having been an integral provider of the GP Forward View rollout across the UK prior to taking up his most recent position as a Primary Care Business Manager in North Wales.

Booking Information

To book a place/s email

bookings@networkforpractices.co.uk

Our acceptance of your booking brings into existence a legally binding contract between us on the following Terms & Conditions - If places are booked but cancelled before payment has been made or a candidate DNAs, the fee will remain due. Cancellations will attract a refund if the course is subsequently fully booked. To avoid any confusion, we ask that Cancellations are by email only. We will make every effort to resell the cancelled place. Where places are free a £25 charge will be applied to cancellations/DNAs. Payment is required within 14 days from date of invoice.

Effective Business Planning

Introduction

The need for effective business acumen is more relevant now within a changing NHS setting, a setting which offers significant opportunity, than ever before. Subsequently the ability to meet such opportunities with the delivery of effective business plan is a fundamental skill to support executive decision making.

Aims

This workshop is aimed at delivering organisations and individuals with the necessary tools to devise effective business plans which will aid executive decision making in respect of key business matters.

Learning Outcomes

By the end of the workshop you will have gained the ability to:

- Recognise and understand NHS guidance and procedures
- Understand the process for business case reviews
- Write effective business plans
- Provide structure and definition
- Deliver effective cost benefit analysis
- Be confident in the delivery of your business plan
