Trainer Information

Penny Lambert has been working in general practice for over 25 years as a nurse practitioner with a special interest in immunisation. She enjoys sharing her knowledge with other professionals and likes helping general practice staff achieve their potential within their roles.

She recently semi-retired to the Welsh countryside but still works in a local practice and keeps up to date with new advice and recommendations as they are released.

Booking Information

To book a place/s email

bookings@networkforpractices.co.uk

Our acceptance of your booking brings into existence a legally binding contract between us on the following Terms & Conditions - If places are booked but cancelled before payment has been made or a candidate DNAs, the fee will remain due. Cancellations will attract a refund if the course is subsequently fully booked. To avoid any confusion, we ask that Cancellations are by email only. We will make every effort to resell the cancelled place. Where places are free a £45 charge will be applied to cancellations/DNAs. Payment is required within 30 days from date of invoice.

Flu, Pneumo & Shingles Update for Registered Health Care Professionals

(Online Learning Workshop)

Date: 4th July 2025
Times: 0930-1130
Venue: Zoom Online Platform
Places available: 15

Fee/s:

NfP Members	£45
Non-Members	£90

This workshop is suitable for: Nurses and other Registered HCPs requiring an update (separate sessions for HCA/HCSWs are available).

LEARNING OUTCOMES/WORKSHOP OBJECTIVES

To ensure that all Registered HCPs who have previously undertaken the initial influenza, pneumococcal and shingles training are updated on any changes to the present year's campaigns and that they remain safe and competent in their practice.

OBJECTIVES

- To assess the vaccinator's current knowledge and identify any updating and further training required
- To revise the immunisation process and how the vaccines work
- To discuss the flu, pneumococcal and shingles vaccines in use this season & any new guidelines
- To update on Infection control, safe disposal and the cold chain
- To update knowledge on Anaphylaxis & its management
- To ensure that the vaccinator is competent to vaccinate

COURSE CONTENT

- Introductions & expectations
- Flu, Pneumococcal and Shingles vaccinations 2025-2026
- Anaphylaxis update – what does it mean & how do we deal with it
- Discussion on this year's vaccination programme
- PGDs and COMPETENCIES
