

Care Navigation Workshop 3 – Signposting

www.networkforpractices.co.uk

Consultant Information

Ian Wilson has spent the last 26 years working in the development & training industry as a facilitator, coach and leadership trainer working with a wide range of groups from graduates to senior managers.

Ian holds a range of training, psychometric and coaching qualifications, including ILM level 7 in Executive Coaching, MBTI (step 1+2), DISC-PPA, NLP and Emotional Intelligence, which all support his dynamic and experiential approach. He is also very familiar in the use of Positive Psychology methodologies and strengths-based tools.

In the last 2 years he has become adept at online delivery of a range of training and facilitation sessions, succeeding in creating an enjoyable and rich learning environment in the virtual setting.

Ian is a passionate adventurer and he has kayaked and climbed in many regions including Ecuador, USA, Thailand, Canada, Nepal and Norway. He lives in the English Lake District with his partner and two children.

Booking Information

To book a place/s email

bookings@networkforpractices.co.uk

Our acceptance of your booking brings into existence a legally binding contract between us on the following Terms & Conditions - If places are booked but cancelled before payment has been made or a candidate DNAs, the fee will remain due. Cancellations will attract a refund if the course is subsequently fully booked. To avoid any confusion, we ask that Cancellations are by email only. We will make every effort to resell the cancelled place. Where places are free a £25 charge will be applied to cancellations/DNAs. Payment is required within 14 days from date of invoice.

Date:	25 th May 2022	
Times:	1330-1700	
Venue:	Zoom Online Platform	
Places available:	12	
Fee/s:	NfP Members	£240 (for all three sessions)
	Non Members	£375 (for all three sessions)

Suitable for: Non-clinical staff.

These are three half day workshops, each building on the last. If your Surgery cannot release staff, we can discuss with you what will best meet your training needs and design the programme to fit your budget and time available.

OUTCOMES FOR THE WHOLE PROGRAMME

By the end of the three workshops, participants will:

- Have been introduced to and practised relevant communication skills
- Have increased confidence in communicating with and responding to patients
- Have more confidence in triaging & signposting patients
- Have increased knowledge of the sources of advice and support available
- Have been introduced to flowcharts that assist with making triage & signposting decisions
- Understand the importance of a whole team approach and how their role fits with this

MODULE 3 – SIGNPOSTING

AIM - To further build on knowledge, understanding and the importance of teamwork in triage and signposting.

OUTCOMES

By the end of this workshop participants will have:

- Increased their confidence in signposting when speaking with patients and in gaining the trust of patients in this approach
- Be aware of resources available for patients
- Know the importance of ensuring they have robust policies in place and be confident in applying these
- Be aware of worrying symptoms that need more urgent attention
- Understand the importance of a whole team approach and how their role fits with this
- Have had the opportunity to network with colleagues and share good practice
