### Aims

The workshop aims to provide its delegates with the knowledge and confidence to perform the role of the chaperone effectively within the appropriate setting.

### Learning Outcomes

- The workshop intends that on the conclusion of the session, each delegate will:
- Know the legal, ethical and professional issues relating to chaperones,
- Know what the term chaperone means,
- Know when, where and why chaperones are required,
- Be able to effectively manage chaperone involvement in 'intimate examination',
- Understand the patient's right to choose,
- Understand issues of confidentiality and consent,
- Be aware of the needs of children and those who lack capacity,
- Understand issues relating to personal beliefs, values, religion, ethnicity or culture during chaperoning,
- Be aware of the chaperone checklist and record-keeping,
- Know how to raise concerns,
- Develop a broader understanding of the knowledge base to identify principles underlying theoretical frameworks and begin to identify their strengths and weaknesses,
- Provide informed solutions to standard problems in familiar chaperone related contexts.
