### Trainer Information

**Cathy Warner** has over 40 years of nursing experience, the last 20 of which have been in Primary Care. She currently works as Lead Respiratory Specialist Nurse for a large, 8 practice PCN. Cathy holds post graduate qualifications in Asthma, COPD, Spirometry and Allergy and has recently completed a Masters Degree in Respiratory Practice; as well as being a Non-Medical Prescriber. She is the Guardian of the Wiltshire Airways Nurse Group (WANG) which she was instrumental in setting up several years ago. Cathy has extensive experience as a Trainer, having worked both as a regional Trainer for Education for Health, a Facilitator on the IMP2ART project as well as her own independent training practice, CW Respiratory.

#### To book a place/s email

[bookings@networkforpractices.co.uk](mailto:bookings@networkforpractices.co.uk)

*Our acceptance of your booking brings into existence a legally binding contract between us on the following Terms & Conditions - If places are booked but cancelled before payment has been made or a candidate DNAs, the fee will remain due. Cancellations will attract a refund if the course is subsequently fully booked.*

*To avoid any confusion, we ask that Cancellations are by email only. We will make every effort to resell the cancelled place. Where places are free a £45 charge will be applied to cancellations/DNAs. Payment is required within 30 days from date of invoice.*

# Chronic Cough

**Date:** 1<sup>st</sup> October 2024  
**Times:** 1300-1430  
**Venue:** Zoom Online Platform  
**Places available:** 15

**Fee/s:**

Non-Members	£85

**This workshop is suitable for: Registered HCPs & GPs.**

### Introduction

In December 2023 the **British Thoracic Society** published its **Chronic Cough in Adults Clinical Statement**.

This document offers a practical overview of the assessment and management of chronic cough. This condition is one that is frequently seen in primary care and can be difficult for clinicians to manage.

### Learning Outcomes

- To have an understanding of the pathophysiology of the cough process
- Follow a logical process for assessing chronic cough
- Red Flags
- Modifiable factors
- When to refer
