Trainer Information

Shannon Whiting (RGN DipHE, Level 5 15 CA, GP Practice Tissue Viability Lead, BBO trainer) joined General Practice in 2020 after four years in Private Nursing Care and Seven years in a Community Hospital. Throughout her career she has maintained a keen interest in Wound Care supporting staff as the Tissue Viability Link Nurse. Since working in General Practice, her knowledge and experience have developed and is the Wound Clinics Lead Nurse. Alongside usual PN duties, she mentors HCA's, Student Nursing Associates, and Student Nurses. She has a passion for advocating an equal partnership between Nurse and Patient, with best practice and positivity the priority.

Shannon has a young family and appreciates the space living in the countryside provides. Nothing better than a walk up the hill with her Beagle - for a moment's peace!
